Dear Andre and Katia,

We are very grateful for your recent gift of \$10,000.00 to the KGH Foundation. Your support brings us closer to our goal of establishing a world-class integrated care center for youth age 12 – 24, and their families, right here in Kelowna. The Centre will provide children and youth immediate access to help from a wide variety of mental health support providers, advancing the standard of care in our region to rival the best in the country.

Everyone knows someone. These are our children, our family, our friends and our neighbours. Together we are taking a stand for mental health, putting the needs of our youth and families first so that no one seeking help slips through the cracks.

This Centre represents a very exciting shift in how we support those suffering with mental illness - a place where any youth or family member can walk in and find the help they need, when they need it.

The KGH Foundation is honored to work with donors like you who desire excellent care for our family, our friends and our community. To encourage others to do the same, we would like to acknowledge your support in our materials. If you wish to remain anonymous, please simply contact us and we will ensure your name is not published. If you have provided us with this wish previously, we will, of course, continue to respect your privacy.

Thank you so much for your generous support.

Giving changes everything.

Doug Rankmore, CEO
KGH Foundation

*Thank you all so much.
We so appreciate your
commitment to this
Project - Cheers - Dave*

together we change lives
